**Supplemental Information Disclosure Statement**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Listed on accompanying Form PTO-1449 are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 CFR §§ 1.56, 1.97, and 1.98. The reference listed was cited by the Examiner in the related U.S. case. Applicants have listed publication dates on the attached PTO -1449 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is further understood that the Examiner will consider information that was cited or

submitted to the U.S. Patent and Trademark Office in a prior application relied on under 35 U.S.C. §120.

This Supplemental Information Disclosure Statement is being filed after the first action on the merits. Accordingly, Applicants submit the required fee.

It is respectfully requested that the Examiner initial and return a copy of the enclosed form PTO-1449, and indicate in the official file wrapper of this patent application that the documents have been considered.

Please do not hesitate to contact the undersigned in the event of any fee deficiency.

Respectfully submitted,

Deanna J. Shirley
